

**Tweets (in reverse chronological order) from
Asian American Native Hawaiian Pacific Islander Diabetes Coalition Conference
@SFBau
May 2, 2014**

- . Ed Chow: we are the advocates for Asian Americans, Native Hawaiians, Pacific Islanders on [#diabetes](#) issues [#AANHPIDC14](#) [@physicianvoice](#)
- . Ed Chow: need to be person, community-centered in [#diabetes](#) prevention, treatment, research [#AANHPIDC14](#) [@physicianvoice](#)
- . Ed Chow: learned about different impact of [#diabetes](#) among Hmong, South Asians, Filipinos, Pacific Islanders [#AANHPIDC14](#) [@physicianvoice](#)
- . Pacific Island Health Officers Assoc has declared emergency on non-communicable diseases <http://www.pihoa.org/initiatives/policy/ncds.php> ... [#AANHPIDC14](#) [@physicianvoice](#)
- . Nia Aitaoto: need healthy partnerships, don't pick on the most vulnerable [#AANHPIDC14](#) [@physicianvoice](#)
- . Nia Aitaoto: understand context; listen to Pacific voice; need continuity, technical support, partnerships [#AANHPIDC14](#) [@physicianvoice](#)
- . Nia Aitaoto: communities in Pacific are actively responding to [#diabetes](#) [#AANHPIDC14](#) [@physicianvoice](#)
- . Nia Aitaoto: technology, new media can extend current gaps, disparities in Pacific [#AANHPIDC14](#) [@physicianvoice](#)
- . Nia Aitaoto: Hawaii Journal Medicine & Public Health issue on health systems in Pacific <http://hjmp.org/72.05.suppl1.htm> ... [#AANHPIDC14](#) [@physicianvoice](#)
- . Ray Samoa: technology challenges to communications with providers in Pacific jurisdictions [#AANHPIDC14](#) [@physicianvoice](#)
- . Ray Samoa: need system of providers, overcoming inertia, patient adherence, community engagement [#diabetes](#) [#AANHPIDC14](#) [@physicianvoice](#)
- . University of Iowa's Nia Aitaoto: use stewardship of spirit, mind, body to give hope [#diabetes](#) [#AANHPIDC14](#) [@physicianvoice](#)
- . University of Iowa's Nia Aitaoto: Micronesians use traditional AND Western medicine for healing [#diabetes](#) [#AANHPIDC14](#) [@physicianvoice](#)
- . University of Iowa's Nia Aitaoto: Micronesian physical activity segmented by cultural gender, age roles [#diabetes](#) [#AANHPIDC14](#) [@physicianvoice](#)
- . University of Iowa's Nia Aitaoto: need to unpack "sedentary behavior" for Micronesians [#diabetes](#) [#AANHPIDC14](#) [@physicianvoice](#)
- .

- . University of Iowa's Nia Aitaoto: Micronesians trusted faith based leaders most for [#diabetes](#) information [#AANHPIDC14](#) [@physicianvoice](#)
- . University of Iowa's Nia Aitaoto: 24% [#diabetes](#) prevalence in Federated States of Micronesia [#AANHPIDC14](#) [@physicianvoice](#)
- . American Diabetes Association's LaShawn McIver: patients can be advocates, ask questions [#AANHPIDC14](#) [@physicianvoice](#)
- . [@KPSHare](#)'s Winston Wong: health information shouldn't just be from doctors but all of care team [#AANHPIDC14](#) [@physicianvoice](#)
- . Lily's Amy O'Connor: nurses also highly engaged on social media [#AANHPIDC14](#) [@Modernmeds](#) [@physicianvoice](#)
- . Lily's Amy O'Connor: social media etiquette: listen, learn, shape, discuss [#AANHPIDC14](#) [@Modernmeds](#) [@physicianvoice](#)
- . Lily's Amy O'Connor: need right message to right person at right time with right call to action [#AANHPIDC14](#) [@Modernmeds](#) [@physicianvoice](#)
- . American Diabetes Association's LaShawn McIver: most requested information is about food and recipes [#AANHPIDC14](#) [@physicianvoice](#)
- . [@FDAOMH](#)'s Dr. Jonca Bull: look for mobile medical apps relevant for diabetes [#AANHPIDC14](#) [@physicianvoice](#)
- . [@FDAOMH](#)'s Dr. Jonca Bull: also important to use plain language, address health literacy [#AANHPIDC14](#) [@physicianvoice](#)
- . [@FDAOMH](#)'s Dr. Jonca Bull: FDA wants to become more a health information provider of choice [#AANHPIDC14](#) [@physicianvoice](#)
- . Lily's Amy O'Connor: 60% of legislators learned about issues online, 1/3 changed their mind [#AANHPIDC14](#) [@physicianvoice](#)
- . Kaiser's Winston Wong: at Kaiser, 30% of interactions with health care providers are now by email [#AANHPIDC14](#) [@physicianvoice](#)
- . Kaiser's Winston Wong: Asian Pacific Islander useless term, as aggregated group, subpopulation is what matters [#AANHPIDC14](#) [@physicianvoice](#)
- . Kaiser's Winston Wong: 17% of Kaiser's patients are [#AAPI](#) [@KPSHare](#) [#AANHPIDC14](#) [@physicianvoice](#)
- . [@FDAOMH](#) FDA's language access plan <http://www.fda.gov/downloads/regulatoryinformation/legislation/federalfooddrugandcosmeticactfdcaact/significantamendmentstothefdcaact/fdasia/ucm365544.pdf> ... [#AANHPIDC14](#) [@physicianvoice](#)

- . [@FDAOMH](#) part of social media outreach of FDA [#AANHPIDC14](#) [@physicianvoice](#)
- . FDA report on demographic data on participation in clinical trials [#FDASIA](#)
<http://www.fda.gov/downloads/regulatoryinformation/legislation/federalfooddrugandcosmeticactfdca/significantamendmentstothefdca/fdasia/ucm365544.pdf> ...
[@physicianvoice](#) [#AANHPIDC14](#)
- . [@US_FDA](#) Jonca Bull part of mission of FDA is effective communication to public about approved drugs [#AANHPIDC14](#) [@physicianvoice](#)
- . Retweeted by Ignatius Bau
- . **NCAPA** [@NCAPAtweets](#) May 1 Q&A: Stopping Diabetes in the Asian American community <http://diabetesstopshere.org/2014/05/01/stopping-diabetes-in-the-asian-american-community/> ... [@NCAPIPComms](#) [@apiahf](#) [@AAPCHOtweets](#) [@NAPAWF](#) [@holuongtran](#)
- . [@Join_ImIn](#) promotes racial and ethnic minority participation in clinical trials [#AANHPIDC14](#) [@physicianvoice](#) <https://www.joinimin.org>
- . How to change diabetes screening guidance for Asian American, Native Hawaiian, Pacific Islander patients? [#AANHPIDC14](#) [@physicianvoice](#)
- . UCSD's Happy Araneta: A1C test alone will miss 60% [#diabetes](#) diagnoses for Filipinos, Native Hawaiians, Japanese [#AANHPIDC14](#) [@physicianvoice](#)
- . UCSD's Happy Araneta: visceral fat much higher among Filipina women at every waist size/weight [#AANHPIDC14](#) [@physicianvoice](#)
- . High [#diabetes](#) prevalence among Pacific Islanders, South Asians, Filipinos in northern CA [#AANHPIDC14](#) [@physicianvoice](#)
<http://care.diabetesjournals.org/content/36/3/574.full.pdf> ...
- . UCSD's Happy Araneta: 3.4 million Filipinos in U.S. [#AANHPIDC14](#) [@physicianvoice](#)
- . UCSD's Happy Araneta: genetic diversity among Filipinos because of colonization of Philippines [#AANHPIDC14](#) [@physicianvoice](#)
- . UCSF Alka Kanaya: 26% prevalence of [#diabetes](#) in South Asian study, higher among men [#AANHPIDC14](#) [@physicianvoice](#)
- . UCSF Alka Kanaya: the 1/3 South Asians who had traditional vegetarian diet had lowest [#diabetes](#) risk [#AANHPIDC14](#) [@physicianvoice](#)
- . UCSF Alka Kanaya: very low levels of physical activity among South Asians [#AANHPIDC14](#) [@physicianvoice](#)
- . UCSF Alka Kanaya: was challenging to enroll South Asian women in diabetes study [#AANHPIDC14](#) [@physicianvoice](#)

- . Study of diabetes in South Asians in San Francisco, Chicago #AANHPIDC14
@physicianvoice <http://www.masalastudy.org/articles/DM-MASALA-MESA-2014.pdf> ...
- . UCSF Alka Kanaya: MASALA study of South Asians #AANHPIDC14
@physicianvoice <http://www.masalastudy.org>
- . #Hmong Women's Heritage Association's Thao: Hmong view #diabetes as Western disease, soul trying to return home #AANHPIDC14 @physicianvoice
- . Study of #diabetes among #Hmong in Wisconsin #AANHPIDC14 @physicianvoice
https://www.wisconsinmedicalsociety.org/_WMS/publications/wmj/pdf/104/5/70.pdf ...
- . #Hmong Women's Heritage Association's Kendra Thao: come do community based participatory research with us! #AANHPIDC14 @physicianvoice
- . #Hmong Women's Heritage Association's Kendra Thao: community organizations can bring trust of community #AANHPIDC14 @physicianvoice
- . #Hmong Women's Heritage Association's Kendra Thao: whole health approach #AANHPIDC14 @physicianvoice
- . #Hmong Women's Heritage Association's Kendra Thao: did basic medication reconciliation with clients #AANHPIDC14 @physicianvoice
- . #Hmong Women's Heritage Association's Kendra Thao: have to address cultural/spiritual beliefs about health #AANHPIDC14 @physicianvoice
- . #Hmong Women's Heritage Association's Kendra Thao: community health navigators do strength-based assessments #AANHPIDC14 @physicianvoice
- . Hmong Women's Heritage Association's Kendra Thao: 46% #Hmong are limited English proficient #LEP #AANHPIDC14 @physicianvoice
- . Hmong Women's Heritage Association's Kendra Thao: Sacramento has third largest #Hmong community in U.S. #AANHPIDC14 @physicianvoice
- . 2014 NHIS now oversampling Native Hawaiians, Pacific Islanders @CDCgov #AANHPIDC14 @physicianvoice
- . Annual National Health Interview Survey of 40,000 households, oversamples Asian Americans since 1997 @CDCgov #AANHPIDC14 @physicianvoice
- . 2011-2012 NHANES data on diabetes expected soon, but reliable Asian American data needs 4 yrs of data @CDCgov #AANHPIDC14 @physicianvoice
- . First published (aggregated) 2011-2012 NHANES data on Asian Americans, with oversampling #AANHPIDC14 @physicianvoice
<http://www.cdc.gov/nchs/data/databriefs/db140.pdf> ...

- . NHANES annual study of 5,000 Americans (survey, physical exam, labs); oversample of Asian Americans #AANHPIDC14 @physicianvoice @CDCgov
- . Wilfred Fujimoto: Native Hawaiians have highest prevalence of #diabetes in Hawaii #AANHPIDC14 @physicianvoice
- . @JoslinDiabetes' George King: have to tailor physical activity to patient culture #diabetes #AANHPIDC14 @physicianvoice
- . Kenneth Moritsugu: put patients at center of everything we do #diabetes #AANHPIDC14 @physicianvoice
- . Kenneth Moritsugu: diversity of Asian Americans, Native Hawaiians, Pacific Islanders especially important #diabetes #AANHPIDC14 @physicianvoice
- . Kenneth Moritsugu: can't apply national data to local communities, especially communities of color #diabetes #AANHPIDC14 @physicianvoice
- . Kenneth Moritsugu: patients need to share responsibility for own health and well-being #diabetes #AANHPIDC14 @physicianvoice
- . Kenneth Moritsugu: health literacy not about the "dumb patient", about health provider as communicator #diabetes #AANHPIDC14 @physicianvoice
- . Kenneth Moritsugu: health literacy = health communication that is heard, understood, acted on #diabetes #AANHPIDC14 @physicianvoice
- . Kenneth Moritsugu: shift from intervention medicine to preventive medicine, from acute to chronic care #diabetes #AANHPIDC14 @physicianvoice
- . Kenneth Moritsugu: an at risk BMI >30 discriminates against Asian Americans #diabetes #AANHPIDC14 @physicianvoice
- . Kenneth Moritsugu: how do interventions affect communities of color? one size does not fit all #diabetes #AANHPIDC14 @physicianvoice
- . Kenneth Moritsugu: need personalized medicine, not cohort medicine, especially for communities of color #diabetes #AANHPIDC14 @physicianvoice
- . Kenneth Moritsugu: #disaggregate data, an "Asian" is not the same as another "Asian" #diabetes #AANHPIDC14 @physicianvoice
- . Kenneth Moritsugu: need to deepen understanding of data, science about #diabetes #AANHPIDC14 @physicianvoice
- . Kenneth Moritsugu: #diabetes doesn't just impact person with diabetes, but family members, loved ones #AANHPIDC14 @physicianvoice
- . Kenneth Moritsugu: diabetes growing epidemic, disproportionately affects racial, ethnic minorities #AANHPIDC14 #disparities @physicianvoice

- . Kenneth Moritsugu: we need more data about [#diabetes](#) in Asian Americans, Native Hawaiians, Pacific Islanders [#AANHPIDC14](#) [@physicianvoice](#)
- . Kenneth Moritsugu Acting [@Surgeon_General](#), board member of Natl Coalition of Asian Pacific Islander Physicians [#AANHPIDC14](#) [@physicianvoice](#)
- . [@APAICS](#)' Floyd Mori shares how he became elected legislative, & now community champion, built constituencies [#AANHPIDC14](#) [@physicianvoice](#)
- . Retweeted by Ignatius Bau
- . **LillyPad** [@LillyPad](#) May 1 Guest blogger, Kenneth Moritsugu, M.D. details [#diabetes](#) disparities within the [#AANHPI](#) community. <http://ow.ly/wICQR> [#AANHPIDC14](#)
- . Asian American, Native Hawaiian, Pacific Islander physiologic differences for [#diabetes](#) [#AANHPIDC14](#) [@physicianvoice](#)
<http://care.diabetesjournals.org/content/35/5/1189.full.pdf+html> ...
